with the seasons. Shots are in fashion or out of fashion. It seems a triffe incongruous, too, that the varying ideas should be controlled not by sane thinking but by the spectacular excellence in the list of spectacular excellence in the list was a resultation. The seventeenth amateur champion—ship of the Metropolitan Golf Association will be played on the last four days of this week at the Apawamis Club and the list of entries, which is printed here—the party. Included in the list was a resultation of this week at the Apawamis Club and the list of entries, which is printed here—the party. Included in the list was a resultation with proposition of the metropolitan Golf Association will be played on the last four days of this week at the Apawamis Club and the list of entries.

and all, and the average carry was certainly not over 225 yards. But this is a big carry, one which would place any golfer in a beautiful position for his second shot on any course in the world and make a formidable. Paul Tewksbury and Brice Evans, meas-ured a foot over 250 yards, counting roll and all, and the average carry was cer-the list of national champions, for the make a formidable opponent of an ordinary player of the other shots, provided Harriman; 1900, Walter J. Travis; 1901.

who could put "stop" on the ball. Harry Vardon's visit in 1901 gave an inkling as to how the ball might be contrelled all strive. And just as we are accustomed to say that our score was high to be done.

It is not be done. The ball harry rounded that kind of a game we should and for that kind of a game we should and for that kind of a game we should and for that kind of a game we should all strive. And just as we are accustomed to say that our score was high because the ground was wet and soggy, so let us be chary of accepting any wonderful record drives until we know the deful record drives until we know the thirty-two will constitute the first thirty-two will constitute the championship division. Two eighteen hole rounds of match play are on the first thirty-two will constitute the championship division. Two eighteen hole rounds of match play are on the first thirty-two will constitute the championship division.

possible to get a Schenectady putter anywhere. Yet it was not long before the trend of thought shifted. Willie Anderson, many time winner of the open championship of the United States, was for the annual cruise. It was intimated

Anderson, many time winner of the open championship of the United States, was a marvel with his irons, playing a back spin approach equalled only by Aleck there was a probability of the fleet passing through the new Cape Cod painiest days. Anderson with his powerful yet extremely supple wrists seemed to have a premium placed on his approach play, and popular opinion his approach play, and popular opinion again put that part of the game in favor.

Then came another change, which can be traced as much to the manufacturers be traced as much to the manufacturers of Newport.

Baker, Jr., of the New In was intimated for the fleet passing through the new Cape Cod Canal and visiting Marblehead and other Eastern ports, and that is the programme decided on. This will give a new cruising ground and make a decided break from the trip through the Sound and as far east as Vineyard Haven, with racing for the big trophies off Newport.

and notified the Englewood club that the sand was on the way.

Although the upper reaches of the Hackensack are in sight from the links. Englewood hardly can be called a port of entry, so the Barber brothers having done their share the other members of

the ship to the course.

As fast as the sand arrived it was piled on the lower part of the course near the third hole and is gradually being distributed about the links. It is By JOHN G. ANDERSON.

The opinions of golfers concerning the relative merits of certain shots change with the seasons. Shots are in fashion with the seasons. Shots are in fashion with the seasons are in fashion with the seasons. Shots are in fashion with the seasons are in fashion with the seasons. Shots are in fashion with the seasons are in fashion with the real Scotch sand, but that respectively.

> When James R. Hyde, South Shore of this week at the Apawamis Club and the list of entries, which is printed here-Saturday morning in their matches in Jesse Guilford, who has a reputation second to none for long swats. I wondered just what distance he would get on the average of say ten drives, and taking what I found as the average I am prepared to say that the distances accorded to most long drivers are 20 per cent. too high.
>
> Not one of Guilford's shots nor of those of his champions, Rodney Brown, Paul Tewksbury and Brice Evans, measured to none of the most interest to act as scorer the trio started out on Saturday afternoon to determine the winner of the year old event. Lee won and took possession of the prize that the club had been guarding for the last
